

JNcQUOI

BAR GANDA

Ganda - O nome dado pelos Lusitanos ao primeiro Rinoceronte a ter tocado o solo europeu.

Foi trazido de África e tornou-se um fenómeno no seio da Côrte Portuguesa.

Dom Manuel decidiu oferecê-lo ao Papa Léo X mas o rinoceronte faleceu durante a sua viagem para Roma.

No JNcQUOI Asia, o rinoceronte Ganda teve grande destaque desde o primeiro dia, simbolizando o espírito aventureiro do povo português ao longo de vários séculos da nossa história. Em 1515 foi imortalizado pelo artista Albrecht Dürer no seu famoso quadro.

Hoje, promete imortalizar as melhores memórias de convívios entre amigos na vida noturna e cosmopolita de Lisboa.

Ganda - The name given by the Lusitanos, to the first Rhinoceros that touched ground in Europe.

Brought from Africa, he quickly became a phenomenon amongst the Portuguese court.

Dom Manuel, then gifted him to Pope Leo X, but the animal drowned on his journey to Rome.

Ganda has always been center stage at JNcQUOI Asia, reminding us of the great adventurous before us. In 1515 he was immortalized by Albrecht

Dürer in the famous painting. Now he will immortalize your fondest memories in the Lisbon

Nightlife!

Celebrate it.
